

Kids' Area Outline

Kids' Area always popular is established for lots of kids playing safely and joyfully. We have improved the contents of the area further more: "Touch & Try Booth" where latest game software can be experienced, a "Sales Corner" where game related goods for kids are available, the "Event Stage" where enjoyable kids events are held, "Try Toys Corner" where analog games and card games can be experienced, a "Food Court" where nostalgic sweets are sold, and staking rigs and lottery can be enjoyed.

As well as a variety of stage shows held by the Kids' Area exhibitors, the organizer's event stage will also feature "Masked Rider Hibiki" & "Nintamarantaro."
