

From September 20 to 23, the TGS Official Video Channel will air live footages of the Event Stage, e-Sports X, on-site coverage of game titles, as well as talk sessions with game creators and professional gamers. Tokyo Otaku Mode will produce the show for overseas and air them on Twitch. A broadcasting booth will be set up in the venue for those wishing to watch on site.

## ➡ Official Video Channel booth for overseas

Tokyo Otaku Mode LIVESTREAM HUT will be set up in Hall 9 to air footage for oversea audience. For more details, please check out the Official Video Channel in the official TGS website ([tgs.cesa.or.jp/](http://tgs.cesa.or.jp/)).
