

# Official App “TGS2018”

The official app TGS2018 (iOS/Android) will allow you to check the whereabouts of the booths and the contents, as well as the schedules of the events to be taken place. Please search “TGS2018” on the AppStore or Google Play and download it. Note that you must have your Bluetooth turned ON in order to check where you are in the venue or to receive push notifications from the organizer.

**\* Turn OFF Internet tethering on the venue.**
